

Certificate of Attendance

This is to certify that

Marek Šois

has attended the ISUOG Education course

Fetal anomalies: head and heart

**23 January – 24 January 2015
London, UK**

Caterina Bilardo
Chair, Education Committee

Gustavo Malinger
Chair, Course

Julene Carvalho
Chair, Course

The 'International Society of Ultrasound in Obstetrics and Gynecology' is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net.

The advanced course in gynaecological ultrasound "Ultrasound plus: thorax, neck and diaphragm anomalies – the whole picture" is designated for a maximum of (or 'for up to') 12 hours of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/go/internationalcme.

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.
