*ISUOG Education Committee Chair*

**Gustavo Malinger**

*Course Director*

*ISUOG courses taskforce Chair*

ISUOG Intensive Course Early diagnosis of fetal anomalies London, United Kingdom has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. ISUOG Intensive Course Early diagnosis of fetal anomalies is designated for a maximum of, or up to 10 European CME credits (ECMEC). Each medical specialist should claim only those credits that he/she actually spent in the educational activity. The EACCME is an institution of the European Union of Medical Specialists (UEMS), [www.uems.net](http://www.uems.net). Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at [www.ama-assn.org/go/internationalcme](http://www.ama-assn.org/go/internationalcme). Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.

Organised by the  
International Society of  
Ultrasound in Obstetrics  
and Gynecology
