

Certificate of Attendance

This is to certify that

Dr Marek Šois

has attended the

ISUOG Education 2011 Congenital anomalies and fetal echocardiography

18-19 February 2011

RCOG, London UK

Rabih Chaoui

Chair, ISUOG Education Committee

RCOG: You may claim a maximum of 14 CPD credits in category E/1 for full attendance at this course.

The International Society of Ultrasound in Obstetrics and Gynecology (ISUOG) is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net.

ISUOG Education 2011: Congenital anomalies & fetal echocardiography is designated for a maximum of (or 'for up to') 12 hours of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

EACCME credits are recognized by the American Medical Association towards the Physician's Recognition Award (PRA). To convert EACCME credit to AMA PRA category 1 credit, contact the AMA.
