ISUOG Intensive Course:

Congenital Anomalies & Fetal Echocardiography

1 - 3 February 2008
Hotel Russell, London UK

A handwritten signature in black ink, appearing to read 'Dario Paladini'.

Dario Paladini
Chair, ISUOG Education Committee

17 RCR Category I CPD credits

"The International Society of Ultrasound in Obstetrics & Gynecology is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net."

"The Congenital Anomalies & Fetal Echocardiography course is designated for a maximum of (or "for up to") 15 hours of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity."

"EACCME credits are recognized by the American Medical Association towards the Physician's Recognition Award (PRA). To convert EACCME credit to AMA PRA category 1 credit, contact the AMA."

Organised by The
