Chair, ISUOG Education Committee

RCOG: You may claim a maximum of 15 CPD credits for full attendance at this course. This information is correct at the time of printing.

ISUOG is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net.

Doppler in Obstetrics and Ultrasound and labour is designated for a maximum of (or 'for up to') 12 hours of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the education activity.

EACCME credits are recognised by the American Medical Association towards the Physician's Recognition Award (PRA). To convert EACCME credit to AMA PRA category 1 credit, contact the AMA.
